

Precision Thermometry Bridge

Trade-In Program

“Are you concerned about the long term reliability of an ageing older design bridge?”

“Do you need to upgrade to a bridge with higher performance?”

THE QUEEN'S AWARDS
FOR ENTERPRISE:
INNOVATION

Then now is the time to take advantage of our trade-in program and save up to 20% on the purchase price.

Our offer runs for orders placed from the 1st October to the 31st December 2019

The amount of the trade-in allowance depends on the model of microK purchased and the model part exchanged to a maximum of 20% off a microK 70 or GOLD when traded against a 0.1ppm bridge, DC or AC. Contact Isotech for details of qualifying instruments and trade-in allowance. Participating dealers only.
